### Expected Family Contribution: 7865

Based on the information we have on record for you, your Expected Family Contribution (EFC) is 7865. You are not eligible for a Federal Pell Grant, but you may be eligible for other aid. Your school will use your EFC to determine your financial aid eligibility for other federal grants, loans, and work-study funds, and possible funding from your state and school.

There is a limit to the total amount of subsidized Federal student loans that you may receive. Visit [StudentAid.gov/sub-unsub](#) for more information.

## FAFSA Data

Your FAFSA data reflects the answers you provided on your FAFSA form. Assumed values are marked with an asterisk (\*).

### What you must do now:

*Use the checklist below to make sure that all of your issues are resolved.*

- Your financial aid administrator may contact you to resolve any issues related to data reported on your *Free Application for Federal Student Aid* (FAFSA®) form.
- Be sure to review the items marked with a *h* and make any corrections if necessary by selecting "Make Correction" on the "My FAFSA" page.
- We assumed certain information to calculate your eligibility for federal student aid. We printed the assumption we made and a *h* for each of these items. If our assumptions are correct, don't change them. If they are incorrect, you need to make the necessary corrections by selecting "Make Correction" on the "My FAFSA" page.
- The parents' marital status you reported in Item 58 doesn't appear to agree with the parents' tax return filing status reported in Item 81. If one of these items is incorrect, select "Make Correction" on the "My FAFSA" page to make the correction. If the information you reported is correct, make sure the income information reported in Items 84 through 87, 91, and 92 correctly reflects your parents' 2020 income.
- If you need to make corrections to your information, select "Make Correction" on the "My FAFSA" page using your account username and password (FSA ID). If you need additional help with your *Student Aid Report* (SAR), contact your school's financial aid office or select the "Get FAFSA help" link from the FAFSA home page. If your mailing address or email address changes, you can make the correction online.

Financial Aid History

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can [view details on the individual loans that make up these totals on your Aid Summary](#). If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on your Aid Summary. You can obtain general information about each of the types of loans that are listed below by visiting [StudentAid.gov](#).

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember, you are responsible for repaying all of the amounts that you borrow plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.
